_____ BASES _____

- The FIDE RAPID ELO list for January 2026 will be taken into account for the preparation of the initial list as well as for the prizes. If a player does not have a FIDE RAPID ELO, his FIDE STANDARD ELO will be used.
- A waiting time of 10 minutes is established.

- A non-appearance will result in elimination from the tournament unless this non-appearance is duly justified. If the non-appearance occurs in the last round, the player will not be eligible for any prize.
- Electronic devices not specifically approved by the arbiter will be prohibited in the game room. They will be allowed in the game room as long as they are turned off at all times and in a bag that must remain in the game room, even if the player is absent. - Participants may not leave the game room without the consent of the arbiter.

- Participation in the Tournament implies knowledge and acceptance of these game rules.
- Failure to comply with them may result in the loss of a game or even expulsion from the Tournament, as well as the loss of any right to a prize and the return of any registration fee that the player may have paid.
- It is the responsibility of each player to register correctly. Likewise, the participant is obliged to check his/her data in the lists that are published (Byes, ELO, category, name, etc.).

- The arbiter team will not be responsible for keeping mobile phones.
